World War I Teacher Resources

New technologies enabled the world to skirmish on a larger scale than ever before during World War I (1914-1918). Use our printables, lessons, and references below to teach your class about the people, places, and events of World War I. Students can explore 1910s war propaganda, read about the *Lusitania*, and discover the origins of Veterans Day with these activities. You'll also find patriotic songs, research ideas, and poetry lessons to incorporate across your curriculum.
